**Significant Incident**

**Request details**

Please may I request the following data under the Freedom of Information Act.

Could you please send me all relevant policies, procedures and protocols the health board has in place in the event of a significant incident at Hinkley nuclear power plant.

**Response details**

Cardiff and Vale University Health Board (the UHB) does not hold this information. The UHB does not have any plans which are specific to the Hinkley Nuclear Power Plant.

In order to comply with our Section 16 obligation, the duty to provide advice and assistance I would like to advise you that any significant incident at Hinkley Nuclear Power Plant which impacts South Wales would necessitate the activation of the Resilience Forum Strategic Command Centre. This multi-agency partnership would utilise a suite of plans relating to a Major Incident.
