Request details

I would like to find out how many operations were cancelled in your health board's hospitals for non-clinical reasons:

- 1. between October 31, 2017 and January 31, 2018.**
- 2. between October 31, 2018 and January 31, 2019.**
- 3. between October 31, 2019 and January 31, 2020.**

If I could get those as three separate figures I would really appreciate it.
