**A & E Attendance – Smoke Inhalation Injuries**

**Request details**

I am requesting this information under the Freedom of Information Act 2000

The information requested is, a breakdown by hospital of the number of people attending A&E departments for 'smoke inhalation' injuries and their occupation is recorded as a Police Officer or Police Community Support Officer.

**Response details**

Cardiff and Vale University Health Board (the UHB) does not hold this information. The UHB does not record the occupation. The UHB can also advise that there is no diagnosis code for 'smoke inhalation'.
