### Drugs Free of Charge

#### Request details

I've got a Freedom of Information query that I hope you'll be able to help me with

**1. Within the last 2 years, has the institution accepted or is it currently accepting any of the following drugs free of charge or for a nominal charge (eg £1):**

- Rizankizumab (Skyrizi)
- Guselkumab (Tremfya)
- Brodalumab (Kyntheum)
- Ixekizumab (Taltz)
- Secukinumab (Cosentyx)
- Tildrakizumab (Ilumetri)

**2. If yes to any of the above, are you able to say how long is the free of charge drug stock typically provided for each patient? For example, is it:**

- First dose
- First month
- First 3 months
- Some other period?

**3. If the Institution has not accepted manufacturer provision of free of charge drug stock, are you able to say what have been the reasons for this?**

#### Response details
