Rapid Tranquillisation Policies

Request details

I am currently working on a project comparing rapid tranquillisation policies across all mental health trusts and health boards in the UK. I first looked online to see whether copies of these policies were accessible and am contacting organisations where this information was not readily available.

Please could you share a copy of your;

a) Rapid tranquillisation policy and

Please find attached Rapid Tranquillisation guideline.

b) The policy relating to the monitoring of physical health of psychiatric inpatients.

Cardiff and Vale University Health Board (the UHB) does not hold this information. Under our Section 16 obligation, the duty to provide advice and assistance, the UHB would like to inform you that it does not have a policy specifically relating to the physical health monitoring of psychiatric inpatients.
