

Freedom of Information Act 2000 - Request Reference FoI/20/167
Leave of Absence Policy

Request details

Could you let me know if Cardiff and Vale Health Board has; a policy that describes the process for granting of leave for mental health in-patients who have been admitted to hospital informally (voluntarily).

If the Board does have a policy, I would appreciate it if you can forward me an electronic copy of it.

Response details
