A&E Submissions Due to DIY Accidents

Request details

I'd like to request information around A&E submissions as a result of DIY accidents from the 1st November 2019 – 31st October 2020. Please could you provide the following, ideally in excel format.

- The number of admittances that were diagnosed as being the result of injury by a drill, power tool or similar instrument, split by NHS trust provider, for the time period
- The total number of admittances above split by gender
- The total number of admittances above split by month
