FPAS Scores

I would like to know some detail about FPAS scores of both successful and non-successful FY1 applicants. I would also like the maximum, minimum and average scores for both successful and non-successful candidates put in an excel spreadsheet for years 2016, 2017, 2018, 2019 and 2020.

Please note by achieving the lowest score from a previous year a candidate is not guaranteed to receive an allocation in that Health Board and or site. Allocation is dependent entirely on the overall scores of the candidate within each recruitment round and their individual preferences, and therefore these figures should be used for reference only.
