

Freedom of Information Act 2000 - Request Reference FoI/20/343
Maternity/Delivery Guidelines

Request details

- 1. Please supply a copy of the low court guidelines for delivery/management of labour for preterm babies.**

Please refer to the attached pdf documents.

- 2. Please supply a copy of the relevant [local] guidelines referred to within our client's medical records.**

Please refer to the attached pdf documents.

- 3. Please also advise to what extent national guidelines are also considered.**

Cardiff and Vale University Health Board can advise that National guidelines are also considered within the context of hospital policy. The level of evidence is considered to ascertain whether the whole guideline is adhered to or parts of.
