HMP Prisons Historic Archives

Request Details

Following the advice of the Ministry of Justice (Freedom of Information) Disclosure Team (HM Prisons and Probation Service), I would like to request information on the following:

Information, statistics and studies on the use of psychotherapeutic, chemical, electrical and hormone (including oestrogen) therapies and treatments for male homosexual prisoners at HMP prisons in Wales during the period 1952-1972.

I would be most grateful if you could let me know what information, statistics and studies you hold for HMP Cardiff, and how I may be able to access them.

Response Details

Cardiff and Vale University Health Board (the UHB) does not hold this information.

Please note the UHB is unable to advise on an all-Wales basis.

Under Section 16, the duty to provide advice and assistance I would like to advise that healthcare was provided directly by the prisons during the above timeframe.
