

Freedom of Information Act 2000 - Request Reference FoI/21/291
Contraceptive Pill Prescriptions

Request Details

1. How many people in your area have been prescribed the contraceptive pill in the following years:
 - 2016
 - 2017
 - 2018
 - 2019
 - 2020

1. How many people in your area have been prescribed the contraceptive pill in the following years:	
2016	1587
2017	1760
2018	1801
2019	2929
2020	1600

2. How many people in your area have had their prescription to the contraceptive pill renewed in the same years?

Cardiff and Vale University Health Board (the UHB) does not hold this data. The UHB does not record 'renewed' pills, only the collective contraceptive pills dispensed.

3. How many people in your area have had a coil fitted in the following years:
 - 2018
 - 2019
 - 2020

3. How many people in your area have had a coil fitted in the following years:	
2018	784
2019	1194
2020	938

4. How many people in your area have had the contraceptive implant put in over the following years:
- 2018
 - 2019
 - 2020

4. How many people in your area have had the contraceptive implant put in over the following years:	
2018	702
2019	1294
2020	616

5. How many people in your area have been prescribed or undertaken another form of contraception over the following years:
- 2018
 - 2019
 - 2020

5. How many people in your area have been prescribed or undertaken another form of contraception over the following years:	
2018	832
2019	1346
2020	852
