Death Type	Provider Description	Deaths
Covid Deaths	University Hospital of Wales	17
Covid Deaths	Llandough Hospital	*

1 COVID 19 is coded in the Death Cause Diagnosis 01 Code field of the ONS Death Record where no other cause of death is recorded.

2 Information on deaths is from the NWIS Data Warehouse view of ONS deaths refreshed in Cardiff and Vale Data warehouse on 17th May 2021.

3 Please note that there can be a time lag between a death and the reporting of it in the ONS data. ( The latest death in the dataset used was 23rd April 2021 )

Please note that Section 40 of the Freedom of Information Act 2000 has been applied where information in the above table has been replaced with an asterisk. The UHB will not provide these exact numbers due to the low numbers of individuals involved (5 or less). The UHB believes there is a potential risk of individuals being able to be identified, when considered with other information already available within the public domain, if this was disclosed. Therefore, the data is classed as personal data as defined under the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This exemption is absolute and therefore there is no requirement to apply the public interest test.
