

Freedom of Information Act 2000 - Request Reference FoI/21/249
Maintenance and Refurbishment between 1984 and 1997

Request Details

Working on a substantial maintenance and refurbishment programme such as ward refurbishment at Heath Hospital Cardiff. The Claimant was in the employment of Robbins & Brown Limited between 1984 and 1997. The Claimant's evidence confirms that the main contractor on the site was Cowling Construction Limited, now Balfour Beatty Construction (SW) Limited.

Can you please provide all documentation, contractual or otherwise, relevant to the maintenance programmes and refurbishment including any specifications of the materials used and any steps taken to reduce asbestos exposure to those working on the site?

Response Details
