Vaccinations in Cardiff Prison

Information Requested:

Please kindly supply the following information on Cardiff Prison

Between September 15th 2020 and November 1st 2021 (inclusive):

- 1) The number of 3rd dose or 'booster' COVID-19 vaccinations offered to prisoners.
If possible, the reason for offering to be broken down by age or specific vulnerability

Our booster programme started on 4th Nov. We have offered 12 boosters since then. Boosters are available to age 50 plus and under 50 with health conditions which make them vulnerable and had 2nd dose 26 plus weeks ago. As of this week (15/11/2021) we will be offering to age 40 plus and under 40 with health conditions which make them vulnerable and had their 2nd dose 26 plus weeks ago.

- 2) The number of 3rd dose or 'booster' COVID-19 vaccinations successfully administered to prisoners
If possible, to be broken down by age or specific vulnerability

All 12 boosters offered were accepted. 10 were for aged 50 plus and/or health vulnerability. 2 were for under 50 with a health vulnerability.

- 3) The number of 3rd dose or 'booster' COVID-19 vaccinations declined or refused by prisoners
If possible, to be broken down by age or specific vulnerability

None

On 1st November 2021:

- 4) The number of prisoners in the establishment who at any point were, or are, eligible for a 3rd dose or 'booster' COVID-19 vaccination
If possible, the reason for offering to be broken down by age or specific vulnerability

There are 19 people eligible (age 50 plus and under 50 with health conditions which make them vulnerable and had 2nd dose 26 plus weeks ago).

- 5) The number of prisoners, of those eligible in (4), who have successfully received a 3rd dose or 'booster' COVID-19 vaccination
If possible, the reason for offering to be broken down by age or specific vulnerability

12 of those 19 have received their booster.
