Translation Spend Data

Information Requested:

I would like to submit an FOI request for the total spend on all translation and interpreting services (translation - both Welsh and foreign languages, interpreting - both Welsh and foreign languages, including translation and interpreting services for the deaf and blind such as British Sign Language - no split necessary per type of service, just the overall figures) for each of the financial years 2015/2016, 2016/2017, 2017/2018, 2018/2019 and 2019/2020.

Interpreting services: always oral and can include face-to-face interpreting, telephone interpreting, and video interpreting, all conducted between English and a foreign language

Translation services: written and most common, from English into foreign languages

Translation and interpreting for the deaf and blind: British Sign Language (interpreting), Braille (translation, written)
