Freedom of Information Act 2000 - Request Reference FoI/21/458
Gender Wales

Information Requested:

I understand that the Trust recently submitted evidence to the Welsh Language Commissioner arguing that the Language Standards placed on the Trust do not apply to this website and are not provided for the performance of a contract between the Trust and Umbrella Cymru.

I would like to make a request under the Freedom of Information Act for a copy of that evidence, so that I can understand your reasons for arguing that it is not under the language Standards placed on you, given that the website is part of the arrangements that Umbrella Cymru has put in place to deliver the contract.

I would also like to ask you for any information that the Trust has regarding the Contract with Umbrella Cymru particularly material that explains exactly what Umbrella Cymru's role is, how they are expected to provide that role and any information they have provided about how they would provide that role.

I would also like a copy of any correspondence received between the Trust and Umbrella Cymru regarding the use of the Welsh language and the application of the standards in the performance of their contract with the Trust.
