Vending Machines

1. How many vending machines does the health board have in its hospitals and where?

Please see the below table for vending machine locations within Cardiff and Vale University Health Board (the UHB).

| Hospital Site | Number of Vending Machines |
|-------------------------|----------------------------|
| Heath Park Site | 15 |
| Llandough Hospital Site | 9 |
| Total | 24 |

2. How many of these are stocked with unhealthy foods?

As an organisation the UHB adheres to the Welsh Government 'Promoting Healthy Vending Directive.' The UHB also has an agreed Public Health standard for UHB provided Restaurant & Retail Services, and it is the UHBs policy not to stock the vending machines with unhealthy food. However, on some occasions due to Supply Chain issues, some products will be replaced with alternatives, but where possible we look to ensure these are also healthier options.

3. Details of those unhealthy foods.

Not Applicable
