

Freedom of Information Act 2000 - Request Reference Fol/21/397
Identical Twins and Gender Identity

Request Details

1. I am looking for statistics in regard to how many identical twins (both or just one) have transitioned in Wales.

Cardiff and Vale University Health Board (the UHB) does not hold this data. The UHB does not collect specific data about multiple births and is unable to provide such data for this request in relation to the number of identical twins that have transitioned in Wales.

2. Also, if you have any Media fact sheets on the Trans community in Wales, re: waiting lists, referrals etc. it would be great to have a copy.

The UHB does not hold this information. However, under our Section 16 obligation to provide advice and assistance, I can inform you that, our third sector partnership with Umbrella Cymru offers a website where you can access the data you have referred to in your enquiry for media fact sheets on the Trans community in Wales.

You can access some data relating to the Welsh Gender Service at: <https://gender.wales/>
You can also approach Umbrella Cymru via e-mail on info@umbrellacymru.co.uk or phone: [03003023670](tel:03003023670) to ascertain whether they are willing to share any additional data they may collect in relation to your enquiry.
