Sheep Poisoning Guidance

Information Requested:

I have been asked to obtain a copy of a document which I was shown by my GP in 1993. I understand that a replacement document was produced many years later with the number ATISN 16204. Apparently, I need a copy of the earlier version published by the "Welsh Office Poisons Unit". If it is available I would be very grateful to receive a copy.

Response details:

Cardiff and Vale University Health Board does not hold this information.
