

Freedom of Information Act 2000 - Request Reference Fol/22/078
Delayed Mammogram Service

Information Requested:

I write regarding a Freedom of Information request about the suspension of breast cancer screening services during COVID-19 and would be grateful if you could provide me with the following information:

1. How many women were eligible for population breast cancer screening services (i.e. between the ages of 50 and 71) between March 2020 and June 2021?
2. How many women had their breast cancer screening delayed between March 2020 and June 2021?
3. Will you provide a breakdown of delays by month of breast cancer screening services between March 2020 and June 2021?
4. How many breast cancer screening services suspended invitations for population screening in your local health board area during this time and when did they resume invitations?

Response details:

Cardiff and Vale University Health Board does not hold this information. However, under our Section 16 obligation, the duty to provide advice and assistance, the UHB can inform you that this information is recorded by the Breast Test Wales service provided by Public Health Wales who may be able to respond to your request, please see their contact details below:
