**Fax Machines**

**Information Requested:**

I write regarding a Freedom of Information request on fax machines operated within your health board area. As a result, I would be grateful if you could answer the following questions.

1. How many fax machines were operated in hospitals and GP surgeries in your health board area in 2018, 2019, 2020 and 2021?
2. How many new fax machines were purchased in hospitals and GP surgeries in your health board area in 2018, 2019, 2020 and 2021?
3. How many fax machines are currently being used in hospitals and GP surgeries in your health board area?
4. If possible, how many faxes emergency departments in your health board area received and sent in 2019, 2020 and 2021?

**Response details:**

Cardiff and Vale University Health Board does not hold this information. Under Section 16, the duty to provide advice and assistance, the UHB can inform you that the use of single-function fax machines has been discontinued.
