Information Requested:

I wondered if I could please have the following:

1. Name, job title & email address for whoever commissions care for the LHB

Cardiff and Vale University Health Board (the UHB) does not hold this information. Under Section 16 of the FOIA, which provides us with the duty to advise and assist, the UHB can inform you that as an integrated health board, we don't have specific individuals responsible for commissioning care. Commissioning of care happens throughout the health board and is embedded with the planning and delivery of services.

2. Name, job title & email address for whoever deals with hospital discharges under the LHB

After considering your request, the UHB believes that the data requested is classed as personal data as defined under the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This exemption is absolute and therefore there is no requirement to apply the public interest test.

However, under the provision of Section 16, the UHB can inform you that the relevant job title is the Head of Integrated Care.
