

Freedom of Information Act 2000 - Request Reference Fol/22/276
Staff Devices

Information Requested:

I wish to know the number of checks that were carried out on staff (nurses) phones in 2019 at Llandough Hospital.

I have been told that checks are carried out on a regular basis. I would like to know who has responsibility for carrying out these checks and when the checks have been carried out where the results are recorded and how long that data is retained for.

I have been led to believe that staff often use Whatsapp groups to communicate regarding patient care, I would like to know how many groups have been set up, how they are monitored and what the policy in relation to this. I would like to be provided with a copy of the policy.

Response details:

Cardiff and Vale University Health Board (the UHB) does not hold this information. Under Section 16 of the FOIA, which provides us with the duty to advise and assist, the UHB can inform you that the UHB does not have a policy regarding checking staff personal devices.
