

Freedom of Information Act 2000 - Request Reference Fol/22/112
Chickenpox

Information Requested:

Were there any outbreaks/infections around March 2019 of chickenpox/shingles in the hospital?

Response:

Cardiff and Vale University Health Board can confirm that for the time period mentioned, there were only 3 patients positive for VZV, none of whom were on Rainbow and none are thought to be acquired in the hospital.
