Welsh Translation Costs

Information Requested:

I would like to request how much money is spent on English to Welsh translation, including:

- -the amount spent on external translators and/or agencies; and
- -the number of translators you have on staff

If possible, I would like this information for the two latest financial years the data is available, so either:

-2020-2021 and 2021-2022 or if this is not yet available: -2019-2020 and 2020-2021

Response details:

- **2020/21**
Cost NET: £80,015.52
Cost GROSS: £96,018.32
- **2021/22**
Cost NET: £105,253.10
Cost GROSS: £126,303.72

In addition to the above, the UHB had recruited two senior translators at a Band 6 level in December 2020. Prior to this there were no dedicated translators in the organisation.
