Gynaecology Waiting List

- 1. I am specifically looking for data that indicates how long patients are currently waiting for appointments having been to their GPs and been told they will need to see a fertility specialist. I'd like figures for the last 5 years if possible please.**

Cardiff and Vale University Health Board (the UHB) does not hold this information. Under Section 16 of the FOIA, which provides us with the duty to advise and assist, the UHB can inform you that this treatment is managed by the Welsh Fertility Institute and that this service is governed by Swansea Bay University Health Board, please see below for their contact details:

Email: FOIA.Requests@wales.nhs.uk

or write to,

Freedom of Information Team,
Swansea Bay University Health Board, Headquarters,
One Talbot Gateway,
Baglan Energy Park,
Baglan,
Port Talbot,
SA12 7BR.

We can confirm that the current wait for a **new outpatient** appointment for fertility at UHW is 15 weeks.

- 2. I also wondered if you have waiting times for the various kinds of fertility treatment provided – again, is this data also currently available for the last 5 years please?**

Please see above.
