**Vehicle Fleet**

**Information Requested:**

Please can you supply me with the following information?

Registration number, Make, and Model of all vehicles currently on your fleet list and all vehicles sold between 27/11/2021 and 13/11/2022.

**Response details:**

Please see the attached.

The Current Fleet tab contains UHB current vehicles – these may be Owned, leased or long term hire. The Disposals tab contains vehicles disposed of between March 19 and November 21 – we sell very few as our owned vehicles are generally used until they are beyond economic repair and then sold/scrapped using our contracted fleet maintenance supplier. Others are returned to lease companies, written off or transferred to other health boards.
