

Freedom of Information Act 2000 - Request Reference FoI/22/577

FGM Cases

Information Requested:

How many FGM cases has the NHS recorded since 2019? (split into categories by year)

Response details:

Below is a breakdown of the distinct number of patients per year and the number of discharges whereby FGM has been recorded. It should be noted that the code to determine FGM (Z917) indicates both current injury or a historical event.

Discharge Year	Number of Distinct Patients	Number of Discharges
2022	40	50
2021	89	128
2020	105	128
2019	129	177
