Primary Care Rebates

- 1. Please can you provide the product names with start and finish dates of all your agreed primary care rebates and please distinguish which rebates are aligned to PrescQIPP and which are independent.**

Please see attached.

In Wales rebates are managed on an All Wales basis by the All Wales Drug Contracting Committee and managed via the One Wales MM Platform – they are not aligned to PrescQIPP

- 2. Please can you provide this information at Health Board level**

Please see attached

- 3. Please can you advise if any of your agreed rebates are conditional on achieving increased volumes/ market shares?**

The rebate schemes considered on an All Wales basis should not be directly linked to requirements to increase market share or volume of prescribing.

- 4. I would also like to request the process of how you review and evaluate the rebates presented to you.**

Rebates are reviewed and evaluated by the All Wales Drug Contracting Committee.

- 5. Please can you also provide a copy of your Health Board primary care rebate policy.**

Cardiff and Vale University Health Board (the UHB) does not hold this information. Under Section 16 of the FOIA, which provides us with the duty to advise and assist, the UHB can inform you that rebates are managed on an All Wales basis by the All Wales Drug Contracting Committee, therefore there is no Health Board primary care rebate policy
