

Freedom of Information Act 2000 - Request Reference FoI/22/532
Breast Cancer Patients

Information Requested:

I am requesting this information under the Freedom of Information Act 2000.

Are 1-3 node positive breast cancer patients in your region's hospitals undergoing Oncotype testing?

Response Details

Cardiff and Vale University Health Board (the UHB) can advise that 1-3 node positive breast cancer patients are undergoing Oncotype testing.
