

**Freedom of Information Act 2000 - Request Reference FoI/22/447**  
**BPNA consensus statement**

**Information Requested:**

Please could I request a copy of the Quality Governance Sub Committee paper which would have outlined the requirements from the BPNA consensus statement and the Care Groups minutes when this was discussed for it to be accepted by the hospital?

**Response details:**

Cardiff and Vale University Health Board (the UHB) does not hold this information. Under Section 16 of the FOIA, which provides us with the duty to advise and assist, the UHB can inform you that the BPNA statement was discussed within the general paediatric team and there were no specific changes the UHB need to make to our practice.
