

Freedom of Information Act 2000 - Request Reference FoI/23/397
Unsilenced Cannabis products

Information Requested:

Under the Freedom of Information Act 2000, I'm requesting the following information on private prescriptions for unlicensed cannabis-based products for medicinal use.

I would like to know the number of prescription items that have been dispensed for unlicensed cannabis-based products for medicinal use, both NHS and private, each month since November 2018.

I would also like to know the number of patients who have received prescriptions for unlicensed cannabis-based products for medicinal use, both NHS and private, each month since November 2018.

Response Details:

Cardiff and Vale University Health Board (the UHB) has not issued any unlicensed cannabis-based products for medicinal use within the time frame stated.
