Information Requested:

Please could you provide the quantity of people referred for an ASD assessment in Wales with a wait of over a year for an assessment in 2018, 2019, 2022 and 2023?

Response Details:

Cardiff and Vale University Health Board (the UHB) does not hold this information. Under Section 16 of the FOIA, which provides us with the duty to advise and assist, the UHB is able to provide you with the following information, representing financial year end waiting list positions for 2020 through to 2023. The UHB does not hold this information prior to this time period, as the data held represents the neurodevelopmental service as a whole, rather than autism-specific referrals.
