

Freedom of Information Act 2000 - Request Reference FoI/23/440
Treatment outside the Health Board

Information Requested:

Please could I have a summary table of the total number of people who received treatment outside of the health board's jurisdiction in the last 5 years? If possible, the locations too.

Response Details:

A Total of 672 Prior Approval Requests and Independent Patient Funding Reviews (IPFR) were approved from 01/04/2018-31/03/2023 for out-of-area treatment.

Please note that this figure includes IPFR treatment provided by Velindre Cancer Centre (VCC).

Please also note that some of these figures may be duplicate patients for repeat/ongoing care.

The UHB is unable to provide information on referrals approved by the Clinical Boards, captured under regional or tertiary commissioning, approved by the Welsh Health Specialised Services Committee (WHSSC) or approved under Long Term Agreements or Service Level Agreements.
