

Freedom of Information Act 2000 - Request Reference FoI/23/453
University Hospital Llandough Clinic Sessions

Information Requested:

Please May I request data from you as listed below in respect of University Hospital Llandough: -

Clinic sessions held in the outpatient department of University Hospital Llandough.

The clinics in question would be those held in the morning session and the afternoon session at the hospital on the date of February 8th 2021 (Tuesday).

I am requesting the total number of clinics as in their speciality held for the morning session and the afternoon session together with the total number of patients scheduled for each clinic speciality.

I am NOT requesting any detail that would involve any patient personal data just totals of clinics and attendees.
