Blood Tests

Information Requested:

Please can you tell me the number of blood tests carried out by Barry Hospital, Phlebotomy Department for the years 2019, 2020, 2021, 2022.

- **2019/2020** – 28,802
- **2020/2021** – 15,566 (this year saw fewer patients due to Covid)
- **2021/2022** – 28,132
- **2022 to Jan 31st 2023** – 25,729

Please note: Cardiff and Vale University Health Board (the UHB) calculate workload statistics by Financial Years and not Calendar Years.
