

**Freedom of Information Act 2000 - Request Reference FoI/23/366**  
**Psychodermatology**

**Information Requested:**

1. As of today's date, how many NHS hospitals provide a psychodermatology service on-site in the area you cover? Please name them.
2. As of today's date, how many patients with eczema have accessed psychodermatology services in the last 12 months?
3. As of today's date, how many patients with eczema are on the waiting list to access psychodermatology services?
4. As of today's date, how long, on average, are patients with eczema on the waiting list to access psychodermatology services?
5. As of today's date, what % of patients with eczema currently accessing psychodermatology services have to travel outside of the local health board area in which they live to access them? What % have to travel to another country entirely ie England?
6. As of today's date, how far, on average, are patients with eczema having to travel, in miles, from their home address to access the psychodermatology service that they have been referred to?
7. As of today's date, which skin conditions (top 5) were the most commonly referred to psychodermatology services in the last 12 months? Please rank them 1-5.

**Response Details:**

Cardiff and Vale University Health Board (the UHB) does not hold this information. Under Section 16 of the FOIA, which provides us with the duty to advise and assist, the UHB can inform you that the UHB does not have a psychodermatology service.
