

Freedom of Information Act 2000 - Request Reference FoI/23/143

Patient Level Costing

Patient Level Costing system

1. Who is your current system supplier for your Patient Level Costing system?

Logex Healthcare Analytics (Assista Software Ltd)

2. When does that contract expire (not including optional extensions)?

The current contract expires 31st March 2023

3. Is it used purely for the National Cost Collection submission?

The system is used for the Welsh equivalent of the National Cost Collection submission. Annual PLICs returns are submitted to Welsh Government, and used to populate the suite of annual Welsh Costing Returns (WCRs).

4. If not, what other purposes is it used for? The PLICs returns are used for internal Health Board business purposes.

A Welsh Benchmarking tool (the Population Resource Intelligence Atlas) using PLICS submissions is undergoing development and testing by a cross-Wales group.

Integrated Data Platform (for secondary use).

1. Do you use an Integrated Data Platform that consolidates multiple data sources for the purpose of analytics and reporting?

Yes

2. Who is the supplier of this system or systems if more than one?

IQVIA

3. When does the contract (contracts) expire (not including optional extensions)?

Contract expires June 23

4. Does your current contract meet all your statutory data submission needs?

The UHB does not hold this information. The Freedom of Information Act creates a right of access to recorded information. A public authority does not have to create new information or provide opinions or judgments that are not already held in recorded form.

5. Does the Trust have a strategic Business Intelligence or Data Analytical tool?

Yes

6. If so which one?
