Response Details

After considering your request, the UHB believes that telephone numbers and email addresses of UHB staff constitute personal data as defined under the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and that their disclosure into the public domain would be contrary to the data protection principles and constitute unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This exemption is absolute and therefore there is no requirement to apply the public interest test.

Under our Section 16 obligation, the duty to provide advice and assistance, the UHB would like to refer you to the following link, which provides names and job titles of senior UHB staff by Clinical Board:
