**Pressure Sore Guidance**

**Information Requested:**

I would be really grateful for any guidance within the health board regarding pressure sore development / management for both inpatients and outpatients etc if differing.

**Response Details:**

After considering your request, Cardiff and Vale University Health Board (the UHB) believes that section 21 of the Freedom of Information Act 2000 applies in this instance and is refusing your request.

Under section 21 of the Act, a public authority does not have to respond to a request if the information being sought is reasonably accessible to the applicant by other means. The UHB has applied this exemption to your request as the information you are seeking is available in the public domain. Under our section 16 obligation to advise and assist, I can confirm that the relevant information can be found at the following link: [Pressure Ulcer Procedure and Guidelines](#).
