RE: PARKING CHARGE NOTICE

[REDACTED]

I have checked the ParkingEye portal and [REDACTED] has a permit to park in staff car parks at Llandough. The PCN was issued because [REDACTED] was parked in a patient/visitor car park.

I have asked ParkingEye if they will cancel the PCN. ParkingEye will contact [REDACTED] (or registered owner of the vehicle) in the coming weeks, via letter, to confirm.

However, you can also check the status of the PCN by going to [Driver Portal - Parkingeye](#) and entering the detail required.

Please can [REDACTED] park in staff car parks (in accordance with [REDACTED] permit) going forward.

Regards
