I have checked the ParkingEye portal and can confirm that you have a “general” permit. I can see that you have also been using the QR code to register your vehicle for patient/visitor parking!

There are two open PCNs:

Plate	Status	Car Park
[REDACTED]	[REDACTED]	[REDACTED]

I have asked ParkingEye if they will cancel the PCNs on this occasion. ParkingEye will contact you (or registered owner of the vehicle) in the coming weeks, via letter, to confirm.

However, you can also check the status of the PCN by going to [Driver Portal - Parkingeye](#) and entering the detail required.

Please ensure that you park in accordance with your permit going forward.

Regards

Levels 3a and above in the MSCP are for "essential/multi-site" permit holders and indicated by green signage. Staff car parks for "general" permit holders are indicated by yellow signage.

Please can you let me have your vehicle registration number.

It was my understanding that the first three floors are for visitors and from the 4th floor it is for uhw general staff permit holders. This is what I was told by the receptionist.

Yours Sincerely,

Good morning [REDACTED]

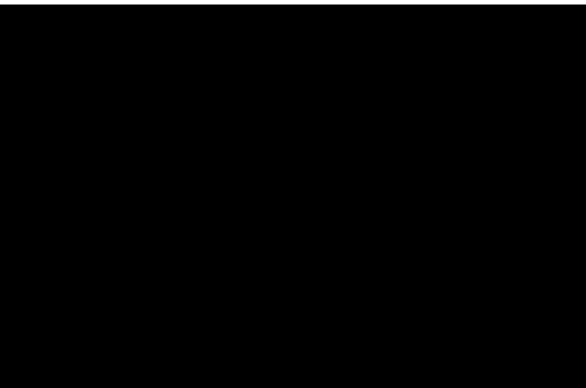

You have probably received a ticket as you have parked in the multi-storey carpark (9B) which is for multisite staff, indicated in green on the map you have forwarded. A UHW general staff site pass allows you to park in the general staff car parks which are in yellow on the map. You do not have a physical pass or badge, it is all done by number plate recognition so if you enter a carpark you are not authorised for it will generate a fine.

Dear [REDACTED] – Is there anything we can do regarding this please?

Thanks

Hi [redacted]

I hope you are having a good week. I wanted your advice regarding parking as I don't know who to approach anymore. I got a parking ticket from parkview reporting that I parked in 9B staff site. As you can see from the forwarded email, I was under the impression that I have been granted a staff parking permit and I wanted to appeal this ticket I received. I also remember asking the receptionist if I have parked in the right place, and I was led to believe that in fact I have parked in the staff parking and there are no issues. **My question is should I have received a card or sticker to show I have a staff parking permit? I double checked to make sure that I have not parked where I am not supposed to. Therefore,** [redacted] with this ticket as I have been parking in the same place since then [redacted]

[redacted] I look forward to hearing from you soon.

Yours Sincerely,

[redacted]
