I have checked our records and the ParkingEye portal and can see that you have a permit "general" staff car parks (yellow signage). You have incurred PCNs because you parked in a staff "multi-site" car park (green signage), for which you do not have a permit. The portal indicates that there are two open PCNs:

Plate	Status	Car Park
[REDACTED]	[REDACTED]	[REDACTED]
[REDACTED]	[REDACTED]	[REDACTED]

I have asked ParkingEye if they will cancel the PCNs. ParkingEye will contact you (or registered owner of the vehicle) in the coming weeks, via letter, to confirm.

However, you can also check the status of the PCN by going to [Driver Portal - Parkingeye](#) and entering the detail required.

Please ensure that you park in accordance with your permit going forward.

Regards

Subject: Parking fine

Hi [REDACTED]

[REDACTED] I am emailing as I have received a parking fine in the post for UHW despite having a staff permit. I have parked there several times since the incident also and am concerned I will receive fines for these too. Could you please advise what has happened or how I can have these cancelled? Many thanks
