Subject: RE: Parking Fines

Good Afternoon,

After reviewing the PCN's it shows that you have all parked in UHW staff parking zones.

The only permit we can locate is Llandough Staff and not for any other UHB sites including UHW.

If this incorrect, please provide the documents that was issued out by the parking office to state you have a valid UHW parking permit and we can appeal on your behalf.

Best Regards

Subject: Parking Fines

Good Morning,

Please could you help me with this matter.

Myself and my colleague attended training in the Heath Hospital for Manual Handling and we were both issued parking fines even though we both registered our cars.

We both completed the following link:

[REDACTED]

For each day we were parked and got the confirmation that our registrations had been accepted.

Parking ref numbers for the fines are:

[REDACTED]

[REDACTED]

All 3 Cars should already be registered as Staff Vehicles as this was done over a year ago.

If you could please assist me in this matter I would be very Grateful.
