

**Freedom of Information Act 2000 – Request Reference FoI/23/601**  
**Telecommunications**

- 1. Does the Cardiff and Vale University Health Board have any plans to refresh any existing telecommunication infrastructure or purchase any new telecommunication services >£200,000 in value in the next two years?**

There are currently no plans as Cardiff and Vale University Health Board (the UHB) recently completed a major upgrade.

- 2. If yes, please provide (a) a brief description of those telecommunication service(s) (b) a description of what stage the work is at (e.g. business case yet to be made, business case made, funding agreed, procurement process started) (c) date of when the procurement process(es) are expected to start.**

Not applicable.

- 3. Does the Cardiff and Vale University Health Board plan to build any new buildings, or refurbish any existing buildings in the next 7 years. Will any work be part of, or separate to, the New Hospital Programme? Please provide**  
**(a) brief description of the scope of this building / refurbishment work**  
**(b) the current timeline for starting the work(s),**  
**(c) what stage the work is at (e.g. business case yet to be made, business case made, funding agreed, procurement process started)**

Please see the below list of major schemes.

**Wellbeing Hub@Park View, Ely – Full Business Case Stage**

Development of a wellbeing hub at Park View to provide fit-for-purpose primary and community care facilities to serve the residents of the Cardiff South West Cluster in support of Cardiff and Vale University Health Board's (the UHB's) vision for primary care and community services outlined within the *Shaping Our Future Wellbeing Strategy*.

**Pentyrch Doctors Surgery, Pentyrch – Business Case**

Development of a new surgery.

**Wellbeing Centre @ CRI – Outline Business Case Stage**

The continued restoration and redevelopment of Cardiff Royal Infirmary (CRI) to create a Health and Wellbeing Centre (H&WC) to serve the residents of the wider Cardiff South and East Locality.

#### Major Vascular Hybrid Theatres, UHW – Full Business Case Stage

Introduction of a Hybrid Theatre and Major Trauma Theatre at University Hospital of Wales (UHW).

#### CAVOC Theatres, UHL – Outline Business Case Stage

Constructing two new orthopaedic theatres to replace the existing theatres 5 and 6 at University Hospital Llandough (UHL).

#### Mortuary, UHW – Construction Stage

Redesign and refurbishment of Mortuary, UHW.

#### Interventional Radiology Suite, UHW – Construction Stage

Replacement of two interventional radiology suites including refurbishment and equipment.

#### Eastern Vale Health Centre @ Eastern Vale – Outline Business Case Stage

Construction of a wellbeing hub at Penarth for the residents of the Eastern Vale Cluster (Penarth, Llandough and Dinas Powis). Proposals have been developed in partnership with local GPs, the local authority and the third sector.

#### Haematology Ward, Day Unit etc (UHW) – Strategic Outline Case Stage

Constructing a purpose-built unit on the UHW site to collocate Haematology, Blood and Marrow Transplantation, Advanced Therapy Medicinal Products, Cancer Research and Complex Specialist Oncology.

#### **4. What companies currently provide your telecommunication services?**

Mitel, Daisy, BT, Virgin Media, Multitone, EE, and Stryker.
