

**Freedom of Information Act 2000 – Request Reference FoI/23/632**  
**Long-Acting Reversible Contraception (LARC)**

- 1) How many people are currently on a waiting list for an appointment to get a LARC fitted through the sexual health service in CVUHB?**

There are 762 patients on this waiting list, of which 108 are urgent requests, and 654 are routine requests.

- 2) How long is the current wait time to get a LARC fitted? If this is different in different clinics, what is the average?**

For urgent requests, the waiting time is 12 weeks. And for routine requests, the waiting time is five to six months.
