

Freedom of Information Act 2000 – Request Reference FoI/23/627
Paediatric Occupied Beds

Information Requested:

The occupied bed days, by calendar year, for the Paediatric haemato-oncology units and Paediatric Bone Marrow transplant units, for 2015 up to and including 31 August 2023

Response Details:

Please see the below table containing information on daily beds occupied on Rainbow Ward, the paediatric oncology and haematology ward in Children's Hospital for Wales (CHFW) from 2015/16 to date.

	2015/16	2016/17	2017/18	2018/19	2019/20	2020/21	2021/22	2022/23	2023/24
Daily Beds Occupied as values, Rainbow Ward	2454	2700	2285	2374	2238	2834	1908	2811	1707

All children requiring treatment under the paediatric oncology and haematology teams are admitted to Rainbow Ward.

Any child over 14 years old diagnosed will be cared for on the Teenage Cancer Unit which comes under the Adult Haematology Directorate.
