

**Freedom of Information Act 2000 – Request Reference FoI/24/103**  
**Post-Operative Patient Care Policy**

**Information Requested:**

Is there either a policy or procedure (or both!) that detail how to care for a post-operative patient on the ward?

I.e. is there guidance for how often routine observations should be done after a procedure?

**Response Details:**

Cardiff and Vale University Health Board (the UHB) does not hold this information. Under Section 16 of the FOIA, which provides us with the duty to advise and assist, the UHB can inform you that the UHB does hold a document in relation to post-operative patient care for patients who have had colorectal surgery. Please see the attached document
