

Freedom of Information Act 2000 – Request Reference FoI/24/104
Psychological Therapies Management Committee

Information Requested:

I would be grateful if you could provide me with a list of names and job titles of your health board core/standing members who attend Psychological Therapies Management Group, the frequency of these meetings and a copy of the terms of reference.

Response Details:

After considering your request, Cardiff and Vale University Health Board (the UHB) believes that the request for names of UHB staff members is classed as personal data as defined under the General Data Protection Regulation (GDPR) and Data Protection Act 2018. Its disclosure would be contrary to the data protection principles and constitute unfair and unlawful processing with regard to Articles 5, 6, and 9 of the GDPR. We are therefore withholding this detail under section 40(2) of the Freedom of Information Act 2000 (FOIA 2000). This exemption is absolute and therefore there is no requirement to apply the public interest test.

However, in line with our duty to advise and assist under section 16 of the FOIA 2000, the UHB can provide the job titles of those in attendance at the Psychological Therapies Management Committee – please find below.
