

Freedom of Information Act 2000 – Request Reference FoI/24/122
Digital Systems

I am writing to request information under the Freedom of Information Act regarding PAS, EHR and task management systems. Please can you complete the questions below:

1. Patient Administration System (used to support patient management, including tracking patients and managing admissions, ward attendances and appointments)

- a. Does the organisation use a Patient Administration System (PAS)? If yes, please provide the supplier's name.

Cardiff and Vale University Health Board has an in-house PAS.

- b. What is the contract end date of the PAS supplier?

Not applicable.

2. Electronic Health Record System (a digital record of patient health information)

- a. Does the organisations use an Electronic Health Record (EHR)? If yes, please provide the supplier's name.

Civica.

- b. What is the contract end date of the EHR supplier?

31 March 2024.

3. Patient Engagement (patient engagement tools refer to systems that enable patients to access personal health information and allows patients to choose to participate in their care)

- a. Does the organisation use a patient engagement tool? If yes, please provide the supplier's name.

No.

- b. What is the contract end date of the Patient Engagement supplier?

Not applicable.

4. Task Management Functionality

Please tick below which task management functionality currently used at the organisation.

Functionality	Tick if used
Static Task Lists	✓
Automated Escalation and Allocation of Tasks
